- Coaching for Performance, Goal Attainment, Engagement and Career Success

ABOUT KIM

An ICF Professional Certified Coach (PCC) with over 16 years experience in the career success, personal achievement and human performance industries. Kim Monaghan is dedicated to helping her clients advance their careers, change their careers and be happier and wildly successful in their careers.

She has worked directly for, and with, organizations designing and implementing career development initiatives, including partnering with a human resources division, consulting for a global outplacement firm and developing and managing a dynamic career services department in higher education.

Kim's client base includes career professionals in a wide range of industries employed at leading organizations including Bissell Homecare, Microsoft, Steelcase, IBM, Target Corporation and the U.S. Department of Homeland Security.

"Kim ranks amongst the elite and most effective in this discipline. Kim possesses the depth of expertise and sincere dedication that are needed for helping individuals who are ready to be coached and mentored to extraordinary career success."

— Renwick Brutus, CEO and Founder of Achievement Resources

"Kim is an expert at her work as a coach and a person of great integrity."

— Linda Rinker, EVP of Academic Affairs, Davenport University

"Kim engaged our attendees from the first moment she began presenting. Her enthusiasm was contagious and she had the room buzzing."

— Luanne Brown, President of Michigan Payroll Association

"Kim brought energy to our audience that was engaging. She took the time to understand what our objectives were and ensured her presentation was targeted towards our goals."

— Maureen Walsh, Vice President of Global Operations, Bissell Homecare
